

Bowl Submission

As tribute to the talented individuals who have contributed to this event and, ultimately, impacted our community, we've added a theme to this year's submission request: all art should reflect the concept or idea of "Transformation."

Mission/Event Description: As a symbol of plenty, simple wooden bowls are transformed by members of Milwaukee's art and design community into innovative works of art; while other artists donate their artwork. The bowls and donated, original artwork are highlighted at this celebration and silent auction on first Friday in November, every year since 2003.

To reserve a blank bowl, please email your personal information to any of the committee members listed below. There is a \$25 reservation fee for each blank bowl. This is due when picking up your bowl, please make checks payable to Feeding America Eastern Wisconsin. Upon submission of a finished bowl, you will receive one admission to the Feed Your Soul Event on November 4, 2011. Your donation becomes the property of Feed Your Soul to be offered for sale at the event. Proceeds benefit Feeding America Eastern Wisconsin. *If your artist statement is not available when you pick up your bowl, please send a digital file as soon as possible or turn it in with your finished bowl.*

Deliver your finished bowl with a copy of this completed form to: Flux Design, 811 E. Vienna NO LATER than October 28, 2011; or call to have a member of the committee pick up your piece. Bowls will not be accepted after October 28th. Additionally, please contact any of us listed below with questions:
